

# India's Leading Water Storage Tanks And Pipes Manufacturer

[www.mahavirgroup.org](http://www.mahavirgroup.org)

(+91) 99963-56000

## MISSION

To provide high-quality, innovative, and sustainable water storage and distribution solutions that exceed customer expectations, contribute to the well-being of society, and promote environmental stewardship.

## VISION

To be the leading provider of water storage and distribution solutions in India, recognized for our commitment to quality, innovation, and sustainability, and trusted by customers, partners, and stakeholders.

## VALUES

**Quality:** We are committed to delivering products and services of the highest quality, meeting or exceeding industry standards, and continuously improving our processes and technologies.

**Innovation:** We embrace innovation and creativity in all aspects of our business, from product design and manufacturing to customer service and marketing, to stay ahead of the curve and provide cutting-edge solutions.

**Sustainability:** We are dedicated to minimizing our environmental impact by promoting sustainable practices in our operations, using eco-friendly materials, and supporting initiatives that conserve water and protect natural resources.

**Integrity:** We conduct our business with honesty, transparency, and fairness, building trust with our customers, partners, and employees, and upholding the highest ethical standards in all our interactions.

**Customer Focus:** We are committed to understanding and meeting the needs of our customers, providing personalized solutions, and delivering exceptional service that exceeds their expectations.

**Teamwork:** We foster a collaborative and inclusive work environment, where every employee is valued, respected, and empowered to contribute their unique skills and perspectives to achieve our common goals.

**Continuous Improvement:** We strive for excellence in everything we do, seeking feedback, learning from our experiences, and continuously improving our products, processes, and services to stay ahead of the competition and deliver value to our stakeholders.

# TESTIMONIALS

Mahavir Group is the best plastic storage tanks company as their products exhibit top-notch quality and durability. I'm extremely pleased with my purchase, and I'd like to express my heartfelt thanks for providing us with such reliable water tanks. They have truly made a difference in our daily life.

**Sunil Jain**

My great grandfather used the pipes for our ancestral house, when we had to revamp our house - we trusted Mahavir Pipes again for this since my father was super sure on the quality of the product. Mahavir Group has truly exceeded my expectations, and I always recommend it to my friends & family.
